Students who miss more than one (1) class time may be moved to the next session at the discretion of the instructor. Students are to schedule a make-up day (convenient to both instructor and student) to review and practice missed materials.

TNPTI offers its students the opportunity to have optional and flexible additional lab practice time, in addition to your class time hours. The additional times may be held during the Monday to Friday classes or on Saturdays and must be discussed and arranged, in advance, with the instructor.

Progress (Grades):

The instructor will keep a weekly log of the student's grades and will communicate with students their updated grades weekly. However, students are ultimately in charge of keeping track of their own progress in the class and TNPTI is not responsible for students who forget to check their email, messages, etc.
